Helping Hands Policy

Caldwell Adventist Elementary School has been in existence for over 60 years due to the support and dedication of constituents, parents, teachers and friends in the community. Our school is dependent upon each family's participation and assistance. **Each family is asked to please give of their time for a minimum of 10 hours per school year.** Parents, grandparents, adult relatives or friends of the family can complete a family's hours. Families can record their volunteer hours in the black binder at the front office. Families who have *only* PreK or Kindergarten students are asked to please volunteer 5 hours. All volunteers will be asked to complete the Shield the Vulnerable background check and training, which can be done online at www.shieldthevulnerable.com.

I understand the Helping Hands Policy and agree to do my share to help CAES.
